

# NORDICON MALIFAUX TOURNAMENT

NOVEMBER 30TH 2013  
QUEEN'S UNION

Tournament Organiser: Bob 'Daemonkin' McCallum

This event will be a 3-round tournament set at 50 soulstone games.

## TOURNAMENT FORMAT

- Fixed Master Fixed Faction
- 3 Rounds
- A common Strategy and scheme pool will be generated for all players each round.
- 50 soulstone size limit.
- A core of 25 soulstones will be played by each player each round. This should be submitted to the TO at the beginning of the tournament. This can consist of models/minions/totems/extra soulstones and upgrades.
- Each round will allow the player the ability to tailor their crew to achieve the strategy and schemes.
- This is a fun tournament and as the Wave 2 models are still in development it should not be taken too seriously.
- All Wave 1 models and Wave 2 models with the most up-to-date rules (11/26 according to release schedule) will be allowed.
- Standard deployment will be the setup for all games.
- Each game will run a fixed 5 turns or until time is called by the TO.
- A 15 minute warning will be called, followed by a 5 minute warning. At the 5 minute warning the current turn will be the last turn.
- When time is called the current Action will be the last action played.
- Players must bring print-outs of any Wave 2 models they wish to use and should offer the print-out to their opponent to read any ability they are unfamiliar with.
